

I definitely want rules in place that serve the public, rather than private, interest, and I very much oppose taking a vote that leads to more media consolidation! On June 2nd, I urge you to retain the current ownership rules. Unbiased news is getting harder and harder to come by as it is!

Will we have a "Brave New World" full of brainwashed automotons and Stepford wives? Or should I say, blind patriots?

This relaxing of the rules certainly smacks of "corporate world takeover" to me. Where we're headed, we can say bye-bye to democracy and hello to facism and unbridled capitalistic greed.
